

Accreditation waiver for non-Rights Holders at FEI- Named events

Hereby I declare that I have read, understood and that, on behalf of the organisation / company I represent, I will respect the conditions set out below with regards to my accreditation and presence at the FEI World Championships 2026 in Aachen (GER):

I will not film nor publish footage of the Field of Play (FOP) — including but not limited to the main arena, warm-up areas, kiss & cry, leaders' lounge, entrance/exit areas, or cross-country/marathon courses (as applicable) —except as specifically permitted under the relevant FEI rules or guidelines.

I will only film interviews and/or record radio interviews with athletes or other participants in designated zones (such as the NRH Mixed Zone or other authorised media zones).

While present at the FEI World Championships 2026 I will accept and always give priority to the needs of the Host Broadcaster and any domestic or international rights-holders, and I will not interfere with their work or obstruct their activities.

I will comply at all times with the instructions of the FEI, the Organiser and their authorised staff members regarding any media, filming, photography and access related elements.

I and the organisation/company I represent will not broadcast, publish or otherwise exploit (commercially or non-commercially) any interview(s), video footage(s) or radio recording(s) from the event venue (including mixed zone) on any linear TV channel, website, social media platform or other non-linear media platform prior to the time as permitted under the FEI relevant rules or guidelines (including any delay-period as specified by FEI).

I accept that FEI and/or the Organiser may, at their sole discretion and at any time, withdraw my accreditation and/or the accreditation of the media organisation I represent.

I understand and accept that video footage from the FoP is owned by the FEI (or its broadcast rights-holders) and subject to restrictions on publication and posting.

I confirm that the above commitments apply for the duration of the FEI World Championships 2026 and for any official media access I hold in relation to that event.

I accept that Media Accreditation is personal and non-transferable. Accreditation is granted solely to the individual who has applied for and been approved by the

FEI. I understand that any use of an accreditation by a person other than the accredited individual is strictly prohibited, and I accept that the FEI may revoke the accreditation of both the unauthorised user and the originally accredited person at its sole discretion.

I acknowledge that access to the stables with professional filming and photography equipment is strictly prohibited. I will not film, photograph, post, or publish any videos or photos from within the stable area without the prior written approval of the FEI, and I accept that any breach of this provision may result in the immediate withdrawal of my accreditation.

Finally, I confirm that I have read, understood and will comply with the NRH Guidelines for Posting Videos from FEI-Named Events.
